

BLESSED THOMAS HOLFORD

CATHOLIC COLLEGE

ASPIRATIONAL | EXCEPTIONAL | OUTSTANDING

### The School Fund and Gift Aid Scheme

Please support our School Fund and Gift Aid scheme, which is being used to fund vital curriculum enrichment resources. This year Blessed Thomas Holford College received its **best ever set of exam results**. We have recently been **recognised by the government for outstanding GCSE performance placing us in the top 4% of schools nationally**. This has been recognised by Ofsted who have judged our school to be outstanding in our recent inspection of June 2008.

These excellent results are achieved by the hard work of pupils and staff in conjunction with the support of parents. Without the financial help we receive from donations made by parents the school would not have the resources it needs to give your children the excellent education they deserve. The best method of support is by gift aiding your donation.

I realise there are many demands on your generosity. Please try to support this scheme and by doing so ensures the best facilities for all our pupils. The best method of support is by a Gift Aid, whereby you contribute just a few pounds each month over a number of years. This enables us to claim nearly an additional 30% in tax that you have already paid at no cost to you. Part of this fund will also be used to support the Diocesan Building Fund.

We invite you make your donation by standing order because the longer you donate the more the school benefits. There are no fixed amounts, £10 per month is suggested, but I can assure you that any amount, no matter how small will be most welcome.

We really are depending upon your support to raise the extra funds and I hope that you will want to help us. I look forward to hearing from you in the near future.

If you are already donating to the School Fund and Gift aid Scheme we would like to take this opportunity to thank you for your generosity.

Yours sincerely

J Cornally

Headteacher
