

Fundraising for the Future

The Weather Lottery

HOW DOES IT WORK?

Choose six numbers from 0 to 9 and enter them in the centre panel inside the leaflet. If your numbers match the last digit of the daily Fahrenheit temperatures (in the right place) of Corfu, Istanbul, Tenerife, Innsbruck, Edinburgh and Stockholm, you win the top prize of...£10,000!

HOW MUCH DOES IT COST?

Each entry line (i.e. each set of 6 numbers) costs £1 per week. There is a draw every weekday from Monday to Thursday, so you have a chance of winning a prize 4 times a week!

HOW DO I PAY?

There are three ways to pay. Complete the monthly standing order, make a card payment or pay by cheque or postal order. Please make cheques payable to Prize Provision Services Ltd.

WHERE DOES MY MONEY GO?

All the money is kept securely in a stakeholder fund, and more than a third comes back to us.

HOW DO I KNOW IF I'VE WON?

You can check your numbers in the Daily Telegraph or at www.theweatherlottery.com. However, there is no need for you to check them, as all prizes are guaranteed and sent out automatically.
